Dear PECHS Parents,

Prince Edward County High School is transforming! Part of that transformation involves PECHS becoming a warm and welcoming environment for students, parents, and community members. As such, new parking spaces have been established for visitors. This is not only part of the transformation, but a direct response to growing concerns regarding visitor parking. **Visitor parking can now be located in front of the high school during school hours from 8:30AM to 2:30PM. Additional visitor parking can be located in front of the Career and Technical Education Center.**

PECHS will S.O.A.R. in 2011! As the high school transforms, our high school will continue to be responsive to parental and community concerns. If you have any questions regarding the new parking please do not hesitate to contact me.

Sincerely,

Craig B. Reed
Principal
Prince Edward County High School
